Declaration of Stacey S. Reeves

Declaration of Stacey S. Reeves

I, Stacey S. Reeves, do hereby declare, under penalty of perjury, and pursuant to the authorization provided in 28 U.S.C. § 1746, that the following facts are true and correct to the best of my current knowledge, information, and belief:

1. At all times relevant to the Complaint, I have been a resident of Oviedo, Florida.
2. All the services that I provided to Avid Telecom were provided from my home office in Oviedo, Florida. I never had an office at Avid Telecom or at any location in Arizona.
3. I have never resided in the State of Arizona.
4. I have never been to Arizona in connection with the business of Avid Telecom. Other than a few hours layover on a flight to another destination outside of Arizona, I have not been physically in the State of Arizona for any purpose, business or personal.
5. Other than my work as an independent contractor to Avid Telecom, I have never communicated with any person associated with Avid Telecom.
6. I have never owned any property located in the State of Arizona.
7. From 10/26/2020 to 08/31/2023, I served as an independent contractor to Avid Telecom, LLC. My compensation was paid exclusively as an independent contractor as reflected on the IRS Form 1099 that I received from Avid Telecom each year. A true and correct copy of each of these 1099s is attached hereto. My compensation was never tied to any sales metric; I did not receive extra compensation based on the sales in which I was involved. I did not receive any compensation that was specifically tied to any sales associated with the State of Arizona. I did not receive any compensation that was tied directly to the company's performance.

8. I was never a W-2 employee of Avid Telecom.
9. I was never an owner or member of the LLC.
10. The “Vice President” title that appears on some of my emails and on a filing with the FCC was merely a marketing title. It does not reflect an actual position that I held at Avid Telecom.
11. All actions that I undertook relating to the matters alleged in the complaint were undertaken on behalf of Avid Telecom in my independent contractor capacity. I never communicated with any third party in my personal name, and I never undertook any action in my personal capacity.
12. All the matters in which I was involved related to services that were being originated from and terminated to locations selected by third party customers or carriers. I never had any input to that selection. I never specifically promoted the sale of any service in Arizona, and I was never knowingly involved in transactions that included any contact with the State of Arizona. To the best of my recollection, I never spoke with anyone – resident, called party or otherwise – who I had reason to believe resides in Arizona.
13. I never had any decision-making authority over any matters associated with the LLC. All the actions that I took in connection with the matters and parties identified in the Complaint were undertaken under the direction and supervision of Mr. Lansky, who had exclusive decision-making authority.
